

What is Landcare?

Landcare is a community-driven, volunteer organisation formed by landholders who want to work together to tackle pressing land management issues and contribute to sustainable landscapes. With their 500+ members, the 11 Landcare groups of the Mornington Peninsula aim to protect and enhance our unique natural environment by promoting responsible care of the land.

Landcare activities

Examples of Landcare activities include:

- Regional coordinated weed and pest animal control including foxes and cats
- Field days
- Protecting remnant vegetation
- Revegetation along waterways
- Development of habitat corridors
- Cooperative strategies to address land degradation issues
- Sustainable agriculture focusing on environmental and economic outcomes

Benefits of becoming a member

- Access information, advice & resources
- Improve land management strategies
- Meet your neighbours and local contacts
- Improve the amenity of your local area
- Get to know like-minded people
- Access funding opportunities
- Subsidised training events and field days
- Take practical action
- Be part of the bigger picture
- Equipment hire including tools

How can I get involved?
