

Balcombe & Moorooduc Landcare Group

Invites you to a

Devilbend Reservoir information talk and working bee

Join us to hear from local environmentalist Hansi Wegner from The Crew at Daangean - Citizen Science, about their work helping survival of the Long-Neck Turtles within the reservoir.

(<https://sites.google.com/view/daangean-citizen-science/home>)

WHEN: Sunday 20th March 2022 at 10am-2pm.

WHERE: Meet 10 am on Derill Road, Tuerong passing bay (approx 450m after Woodlands Dve heading South, (See map attached or connect <https://maps.app.goo.gl/nzjTq1Erc4aftp5N9>)

DETAILS: Site Tour and Talk: 10.00 -11.00
Working Bee: 11.00 – 12.30
BBQ and Discussion: 12.30 – 14.00

The working bee following Hansi's talk, will involve some planting and weed removal to improve the shoreline for turtle nesting later in the year.

Stay for a BBQ and drink after the working bee

Wear comfy clothes, sturdy shoes, work gloves, sun protection and possibly wet-weather gear.

This event is free to members of Balcombe & Moorooduc Landcare, friends and anyone interested in helping the environment.

Please RSVP to Tony O'Connor: loctoc@bigpond.net.au, 0404 951 500
