

Child Safety Policy

Introduction

This Child Safety Policy is prepared to ensure children are safe at all landcare events and activities and to provide guidance to Member Groups about the standards and procedures that they must follow.

The policy conforms to the requirements of the Victorian Child Safe Standards issued by the Commission for Children and Young People that came into force on 1 July 2022. It is based on a template prepared by the Department of Health and Human Services.

Among the organisations explicitly required to adhere to the Child Safe Standards are charities and not-for-profit organisations. Landcare Victoria and its members fall into this category.

Scope and application

Landcare Victoria rules require that:

17.15 Each Member Group is required to have a documented code of conduct which covers child safety, bullying, sexual harassment and respect.

This policy and the related Code of Conduct are mandatory for Landcare Victoria Inc. Member Groups unless the Member Group has itself reviewed its policy and procedures since the introduction of the 2022 Victorian Child Safe Standards and the Member Group policy meets or exceeds the requirements of this policy and the related Code of Conduct.

Under the Act, a Child is a person who is under the age of 18 years.

Our commitment to child safety

Landcare Victoria Inc. is committed to child safety.

We want children to be safe, happy and empowered.

We support and respect all children, as well as our staff and volunteers.

We are committed to the safety, participation and empowerment of all children.

We have zero tolerance of child abuse, and all allegations and safety concerns will be treated very seriously and consistently with our robust policies and procedures.

We have legal and moral obligations to contact authorities when we are worried about a child's safety, which we follow rigorously.

Landcare Victoria Inc. is committed to preventing child abuse and identifying risks early and removing and reducing these risks.

Landcare Victoria Inc. and its Member Groups have practices to reduce the risk of child abuse by new and existing board members, staff and volunteers.

Landcare Victoria Inc. is committed to regularly training and educating our board members, staff and volunteers on child abuse risks.

We are committed to the cultural safety of Aboriginal children, the cultural safety of children from culturally and/or linguistically diverse backgrounds, and to providing a safe environment for children with a disability.

We have specific policies and procedures in place that support our board members, staff and volunteers to achieve these commitments.

If you believe a child is at immediate risk, phone 000.

Our children

This policy is intended to empower children, who are vital and active participants at Landcare Victoria. We involve them when making decisions, especially about matters that directly affect them. We listen to their views and respect what they have to say.

We promote diversity and acceptance at Landcare Victoria, and people from all walks of life and cultural backgrounds are welcome. In particular, we:

- promote the cultural safety, participation and empowerment of Aboriginal children
- promote the cultural safety, participation and empowerment of children from culturally and/or linguistically diverse backgrounds
- ensure that children with a disability are safe and can participate equally

Our staff and volunteers

This policy guides our staff and volunteers on how to behave with children at Landcare Victoria.

All staff and volunteers must agree to abide by our Code of Conduct which specifies the standards of conduct required when working with children. All staff and volunteers, as well as children and their families, are given the opportunity to contribute to the continuing development and update of the Code of Conduct.

Training and supervision

Training and education are important to ensure that everyone at Landcare Victoria Inc. understands that child safety is everyone's responsibility.

Our organisational culture aims for all board members, staff, volunteers, families and children to feel confident and comfortable in discussing any allegations of child abuse or child safety concerns. We train our board members, staff and volunteers to identify, assess, and minimise risks of child abuse and to detect potential signs of child abuse.

We also support our board members, staff and volunteers through ongoing supervision to develop their skills to protect children from abuse and promote the cultural safety of Aboriginal children, the cultural safety of children from linguistically and/or diverse backgrounds, and the safety of children with a disability.

New board members, staff and volunteers will be supervised regularly to ensure they understand Landcare Victoria Inc.'s commitment to child safety and that everyone has a role to play in protecting children from abuse. This will include checking that their behaviour towards children is safe and appropriate (please refer to the Landcare Victoria Inc. Code of Conduct for information about appropriate behaviour). Any inappropriate behaviour will be reported through appropriate channels, including Victoria Police, depending on the severity and urgency of the matter.

Recruitment

We take all reasonable steps to employ skilled people to work with children. We develop selection criteria and advertisements which clearly demonstrate our commitment to child safety and an awareness of our social and legal responsibilities. Landcare Victoria Inc. understands that when recruiting board members, staff and volunteers, we have ethical as well as legislative obligations.

We carry out reference checks and police record checks to ensure that we are recruiting the right people. If during the recruitment process a person's records indicate a criminal history then the person will be given the opportunity to provide further information and context.

Fair procedures for staff and volunteers

The safety and wellbeing of children is our primary concern. We are also fair and reasonable to all staff and volunteers. The decisions we make when recruiting, assessing incidents, and undertaking disciplinary action will always be thorough, transparent, and based on evidence.

We record all allegations of abuse and safety concerns using our incident reporting form. All records are securely stored. If an allegation of abuse or a safety concern is raised, we provide updates to children and families on progress and actions we as an organisation take.

Privacy

All personal information considered or recorded will respect the privacy of the individuals involved, whether they be staff, volunteers, families or children, unless there is a risk to someone's safety. Everyone is entitled to know how this information is recorded, what will be done with it and who will have access to it. This is intended to protect reporters and to ensure that all members of Landcare Victoria Inc. are comfortable to disclose any allegations or concerns in relation to child safety without repercussions.

Legislative responsibilities

Landcare Victoria Inc. takes its legal responsibilities seriously, including:

- **Failure to disclose:** All adults in Victoria who have a reasonable belief that an adult has committed a sexual offence against a child under 16 have an obligation to report that information to Victoria Police
- **Mandatory reporting:** Any board/committee members, staff or volunteers who are mandatory reporters (doctors, nurses, midwives, teacher, principals and police officers) must comply with their duties
- **Failure to protect:** People of authority in our organisation will commit an offence if they know of a substantial risk of child sexual abuse and have the power or responsibility to reduce or remove the risk, but negligently fail to do so

- Reportable conduct: In addition to the chairperson of the relevant member group, the CEO of Landcare Victoria Inc. must be made aware of any allegations of physical and sexual abuse, sexual misconduct, significant emotional or psychological harm or significant neglect by an employee or volunteer towards a child. We are also legally required to notify the Commission for Children and Young People of the allegation
- Duty of care: If a child is abused by an individual associated with our organisation, our organisation is presumed to have breached its duty of care unless it can prove that it took 'reasonable precautions' to prevent the abuse in question

Risk management

In Victoria, organisations are required to protect children when a risk is identified. In addition to general occupational health and safety risks, we proactively manage risks of abuse to our children.

We have risk management strategies in place to identify, assess, and take steps to minimise child abuse risks which include risks posed by physical environments and online environments.

Allegations, concerns and complaints

Landcare Victoria Inc. takes all allegations seriously and has practices in place to investigate thoroughly and quickly. Our board members, staff and volunteers are trained to deal with allegations appropriately.

We work to ensure all children, families, board members, staff and volunteers know what to do and who to tell if they observe abuse or are a victim, and if they notice inappropriate behaviour.

We all have a responsibility to report an allegation of abuse if we have a reasonable belief that an incident took place. If an adult has a reasonable belief that an incident has occurred, then they must report the incident. Factors contributing to reasonable belief may include:

- a child states they or someone they know has been abused (noting that sometimes the child may in fact be referring to themselves)
- behaviour consistent with that of an abuse victim is observed
- someone else has raised a suspicion of abuse but is unwilling to report it
- observing suspicious behaviour

Regular review

This policy will be reviewed every two years and following significant incidents if they occur. We will ensure that families and children have the opportunity to contribute. Where possible we will do our best to work with local Aboriginal communities, culturally and/or linguistically diverse communities and people with a disability.

Code of Conduct

Under Rule 17.15 of Landcare Victoria Inc. each Member Group is required to have a documented code of conduct which covers child safety, bullying, sexual harassment and respect.

The Code of Conduct provided at Attachment 2 meets the requirements of Rule 17.15 in respect of child safety and is mandatory for all Member Groups unless they have adopted their

own Code of Conduct that aligns with the 2022 Child Safe Standards and at least meets the standard of the Code of Conduct at Attachment 2.
